Associate Vacancy - Osteopath wanted for busy medical practice Dubai.

The new associate will be working as part of a team of osteopaths, physiotherapists, doctors and other medical specialists in a multicultural environment. The practice has 3 modern clinics in Dubai and the successful candidate will work between these clinics.

This is an excellent opportunity for an enthusiastic, motivated and talented osteopath who has at least 3 years experience and is looking for an exciting new role in a tax free environment.

Qualification to work in Dubai requires approval from the Ministry of Health and is subject to receipt of UK documentation, completion of a viva style exam (held every 3 months in Dubai) and a 20-hour advanced life support and first aid course.

Applicants should send a C.V., together with a short supporting letter giving information about yourself (including why you would like to be considered for the position) and email addresses of two referees, to Naomi.hart@medicentres.org

NZ. Exciting opportunity to join a well established osteopathic clinic. 2 Positions are available, taking over full lists from existing practitioners who leave for overseas travel in October.

Experience an advantage. We see a very wide range of patients, including babies and children, and enjoy professional referral networks. Interest and knowledge of a range of approaches required, preferably including structural, functional, visceral and OCF. The practice has a team dynamic with active training and support.

Located in Whangarei, 2hrs north of Auckland, offering a pleasant climate, great beaches, outdoor opportunities and thriving cultural scene.
