

European School  
of Osteopathy

# Foundation course **Animal Osteopathy** (Canine &/or Equine)

If you want to work with animals, **train with the best!**

Join us in April 2017 and study on one of the best foundation courses in the UK. You will learn from our team of passionate and experienced lecturers, who together have well over 40 years experience in animal practice. With hours of hands-on practical on live models, our **4-8 day Foundation courses** will give you an outstanding basis for a career with animals.\*

**Dustie Houchin** Programme Leader in Animal Osteopathy

**Sarah Wisson** International Lecturer (from New Zealand)

**Eleanor Andrews** MSc Senior Lecturer

**Olivia Turner** MSc Lecturer, Animal Behaviourist

Open to osteopaths,  
student osteopaths  
and appropriate  
para-professionals\*

Choose the 4-day pathway (Canine or Equine) for £750 or attend both for £1499 - flexible payment options and **early bird discounts available**
